

“It was a pleasure to have Trish in my home to do a Feng Shui Consultation. She did a walkthrough of my entire home discussing my needs and areas of concern. Her enthusiasm and passion for Feng Shui has changed my outlook towards so many aspects of my life. Her easy going and down to earth nature made it easy to trust her abundant knowledge of Feng Shui. I am very pleased with the service Trish has provided. I have received lots of great ideas and am looking forward to implementing them in my home.”
